UNIVERSITY OF OXFORD

The Europaeum Annual Lecture 2026

BUILDING THE RENEWAL AND RESILIENCE OF EUROPE

THE RT HON LORD HAGUE OF RICHMOND

Chancellor of the University of Oxford

The Chancellor, a Trustee of the Europaeum, will be addressing the multiple economic, security and technological challenges that face Europe today. He will argue that the future of the UK remains closely bound to the fortunes of Europe as a whole, and will set out ideas for resilience and renewal in our continent. He will discuss the vital role in this of universities, whose soft power has never been more important, and make the case for enhancing their work together.
